## **About Signing the Membership Form**

1. By signing the form, you are simply confirming that you can be listed with other citizens who support the proposed initiative measure. This is the only position and the only issue with which your name will be associated.
2. The citizens on the list will include a broad-based coalition of academic, civic, healthcare, public safety, business, and labor leaders and other citizens from all walks of life.
3. Lists of citizens, businesses, and organizations supporting the initiative measure may be used in association with materials such as fact sheets, brochures, and possibly in advertisements about the amendment and the measure. All statements in such materials will be based on verifiable facts and information.
4. All lists will note that titles and affiliations of the citizens included are provided for identification only.
5. Signing the position form does not obligate you to contribute time or money to any campaign, or attend any meetings, or make any public statements. More active involvement in efforts to support passage of the proposed initiative measure or financial contributions to support such efforts are welcomed, but are entirely voluntary.
6. Any public relations or political activities undertaken in support of the proposed initiative measure will be conducted in strict compliance with the spirit and letter of all relevant state laws, regulations, and ethical standards.
